**APPLICATION CERTIFICATION:**

In compliance with the Fair Credit Reporting Act this notice is to inform you that the processing of this application includes, but is not limited to, making any inquiries deemed necessary to verify the accuracy of the information herein, including procuring consumer reports from consumer credit reporting agencies and obtaining credit and background information from other credit institutions, will be performed by Landlord. The undersigned agrees that this application and any information reports will remain the property of Landlord. I/we certify that if selected to receive assistance, the unit I/we occupy will be my/our only residence. In addition, HUD provides the owner/agent with information about an applicant’s current status as a HUD housing assistance recipient. The owner/agent will use the Enterprise Income Verification System to determine if the applicant or any member of the applicant household is currently receiving HUD assistance. Nothing prohibits a HUD housing assistance recipient from applying to this property. However, the applicant must move out of the current property and/or forfeit any project based housing assistance before HUD assistance on this property will begin (please also see Single Residence Criteria). Special consideration applies to minor children where both parents share 50% custody.

If the applicant or any member of the applicant household fails to fully and accurately disclose rental history, the application may be denied based on the applicant’s “misrepresentation” of information. I/we understand that the above information is being collected to determine my/our eligibility. I/we authorize the owner/manager to verify all information, which may be released to appropriate Federal, State or local agencies. I/we certify that the statements made in this application are true and complete to the best of my/our knowledge and belief. I/we understand that false statements or information are punishable under Federal law. Title 18, Section 1001 of the U.S. Code states that a person is guilty of a felony for knowingly and willingly making false or fraudulent statements to any department of the United States Government. HUD and any owner (or any employee of HUD or the owner) may be subject to penalties for unauthorized disclosures or improper use of information collected based on the consent form. Use of the information collected based on this verification form is restricted to the purposes cited above. Any person who knowingly or willingly requests, obtains or discloses any information under false pretenses concerning an applicant or participant may be subject to a misdemeanor and fined not more than \$5,000. Any applicant or participant affected by negligent disclosure of information may bring civil action for damages, and seek other relief, as may be appropriate, against the officer or employee of HUD or the owner responsible for the unauthorized disclosure or improper use. Penalty provisions for misusing the social security number are contained in the Social Security Act at 208 (a) (6), (7) and (8). Violation of these provisions are cited as violations of 42 U.S.C. 408 (a) (6), (7) and (8).

**Completion of this Preliminary Application does not guarantee placement on our waiting list. Placement on our waiting list does not guarantee residency.**

By signing this application, I authorize the landlord or his agent to conduct said investigative report and investigate information supplied by applicant(s). This Inquiry includes information as to my character, reputation and mode of living.

I understand that if accepted into the Tax Credit program, I must provide the Landlord or authorized Management Company all income and asset information annually.
